PRECAUTIONS & QUALITY ASSURANCE

06

1. Before and after using the product, please wash it thoroughly with clean water. To avoid infection, please keep it for personal use and do not share it with others;
2. This product is only for adults, and minors are prohibited from using it. Please keep it away from children;
3. Please use it with water-soluble lubricants to avoid damage to the surface of the product when it comes into contact with massage oil, hand cream, and silicon-based lubricants;
4. Do not place the product in direct sunlight, avoid soaking the product in water for a long time, and keep it away from extremely high-temperature or Low-temperature environments;
5. Please do not use it if you are unwell or injured. Pregnant women or patients with cardiac pacemakers, phlebitis, thrombosis, etc. should consult a professional physician for the risk of blood clot formation before using private massage products;
6. We will provide global consumers with a 3-year warranty service. For any quality problems caused by non-human factors, please consult the free replacement service through local stores, online dealers, customer service mailboxes, etc.
